FAQ

Is there a deposit? A non-refundable booking fee of \$100 is due in order to reserve your event. The booking fee will be charged when contract is signed and returned.

When is final payment due? The final payment will be charged to your membership account at the conclusion of the event.

How many guests may I bring? Due to COVID restrictions, outdoor locations can have up to 40 guests per event. This guest count includes children, adults and siblings. For pool parties, up to 20 guests may attend a pool event. This number is subject to change depending on COVID restrictions

How early can I arrive and at what time do we need to depart? The member may arrive one hour prior to the event. We allow 15 minutes at the end of the scheduled event for all guests to depart the party area. After 15 minutes, additional charges may apply for exceeding the time frame.

What happens if a guest arrives late? All our events are based on a two hour time frame, therefore, an event works best when all guests arrive on time. Those guests coming late may join in on the festivities upon arrival.

Can siblings of the guests stay? Siblings are welcome to stay. However, charges will apply if siblings are participating in event activities.

Can I ask for a specific vendor or entertainment not listed? We can look into any vendor or entertainment not listed. However, we do require certain documents from the vendor, in order to approve them for any event.

If a child does not show up, do I still pay for that child? All packages are charged based on the final head count that you give. This head count will be stated in your signed contract.

What if I go over my final head count? Exceeding the final head count will result in a additional charges.

What happens if I have booked an outdoor or pool event and it rains? Unfortunately, due to renovations we cannot offer contingency plans at this time. A member can request to reschedule a party 24-72 hours prior to the start of the event depending on the vendors for the event.

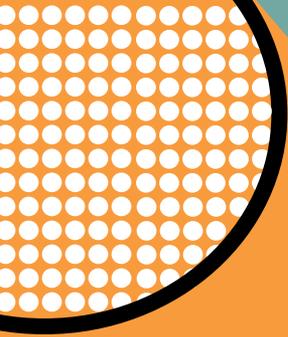

Can I bring confetti? No confetti is permitted on any of the event locations. Additionally, neither is paint or any materials that may damage the property grounds.

Can a water slide be booked? We do not allow water slides nor any aquatic activity on The Meadow.

Can I bring outside food? You cannot bring any outside food or beverages except for cake, cupcakes, cake pops or cookies. If you would like outside food, we can order it for you, depending on choice.

Can I reserve an event for someone not on my membership? All our events are exclusive to our Houstonian club members. Therefore, events can only be reserved for a member and those listed membership.

Is gratuity included in the cost? Gratuity is not included in the cost but is greatly appreciated. We do welcome tips for our attendants, who put in a lot of time and effort to ensure a fantastic event.
